The 2025 race was filled with great excitement, very different weather windows for different start days and the first use of the ORR Forecast Time Correction Factor (FTCF) rating system. At this seminar, we will hear from the following speakers:

- **Randy Smith, Navigator on *Aimant de Fille*, the 2025 Division 4 Winner:** “How to utilize ORR data pre-race and during the race”
- **Dave Moore, Owner of *Westerly*, the 2025 Division 5 Winner and 2023 Overall Winner:** “How to optimize your boat for ORR”
- **Chris Tutmark, Offshore Director of US Sailing:** “Lessons learned from the 2025 Transpac”
- **Jim Teeters, Offshore Projects Manager of US Sailing:** “ORR Update”
