WE'RE RUNNING A SPACE PROGRAM

THE STATEHOOD DECADE . . . SPECTACULAR!
Our growth has been tremendous. In just the past 5 years we have marketed 24 Condominium Buildings . . . comprising more than 1,800 “sky homes.” We've had enough experience to know that it will be a SPACE AGE JOB to effectively serve Hawaii's expanding population.

That's OUR SPACE PROGRAM! To serve our present and future residents.

For Condominium Investments the man to see in Hawaii . . .

MESSAGE FROM GOVERNOR JOHN A. BURNS
TO TRANS-PACIFIC YACHT RACERS

It is with the greatest of pleasure that I again extend my best wishes and the warmest Aloha of the people of Hawaii to those participating in the 1969 TransPacific Yacht Race.

Along with those who follow the fortunes of sailors around the world, we in Hawaii will watch the progress of this biennial test of yachting skill with avid interest. We will note daily and at times even hourly, the progress of various competitors, and we will watch eagerly to see whose bow first cleaves the waves off Diamond Head.

Both from a historic and a contemporary point of view, Hawaii is an appropriate terminal point for this fine race, for it was here that the finest in Polynesian sailing skills were exhibited, and it was here that the whalers of another day found a haven. As the base of the Pacific Fleet and as the center of Pacific maritime trade, Hawaii remains the most important sea-going center of the Pacific under the American Flag.

Our very best wishes go out to every skipper and his crew, and our congratulations to each person who has contributed to the success of this fine event.

Cal 40—deluxe express to Hawaii

With two Hawaii race victories in two tries, the Cal 40 is indeed the fastest, surest way to win this summer's Transpac—or the Bermuda Race, or the SORC. You see, the Cal 40 has won them all—twice.

Only now you can win in more comfort, more style, more luxury than ever before. We have incorporated a deluxe interior into the Cal 40. It includes fully trimmed bulkheads, ceilings and cabinets; multi-coat varnish finishes on all the interior mahogany: louvered doors, plush padding, storage racks, drapery tracks, overhead hand rails, and a gimbaled tray above the folding table, and much, much more.

And it's all standard now, included in the full price of $28,545.

If it seems to pamper your racing crew too much, you can always send them topside. If you are not racing to Hawaii, but would rather pamper your wife, take her down to any Jensen dealer and see her the fabulous Cal 40 with its new deluxe interior. Meantime, write for our complete brochure.

AQUALIFT
BY
ONAN

PERFORMS TWO IMPORTANT FUNCTIONS IN ONE OPERATION

1. AquaLift silences exhaust noises more effectively with proportionately less back pressure than any muffler yet developed.

2. AquaLift lifts engine cooling water up to four feet without the aid of a pump, for convenient discharge above the water line.

AquaLift is compactly designed for easy installation with any make or model marine electric plant with maximum exhaust pressure not exceeding 3 inch mercury column. Suitable for use on all types pleasure craft, utility and workboats.

Can be installed without taking boat out of water!

Priced at only $45.00.

Also check us for Onan’s exclusive new Sound Shield enclosures and enjoy silent marine electric power.

Waikiki to Hanalei
23 July 1969

Sponsored by Hanalei Yacht Club

Eligibility:
Any single-hulled sailing yacht, seaworthy and with self-bailing cockpit, skippered or owned by a member of Hanalei Bay Yacht Club. (Membership fee $5.00 – two years dues $10.00). HYRA safety equipment requirements for Category A Races apply. Transpac yachts automatically qualify.

Entries: Required in Writing
Deadline: Noon, July 22, 1969
Entry forms available at all local yacht clubs and at Transpac Information Center. Entry forms are to be submitted to Transpac Information Center.

Skippers' Meeting:
To be held at Hawaii Yacht Club at 1730 hrs. on 22 July, 1969.

Starting Time:
Warning and preparatory signals will be displayed for 00:04:30 periods.

Starting Line:
Between “WR” buoy and staff of starting signal on committee boat. Committee boat will not be at anchor.

Finish Line:
Between two international orange buoys off Hanalei Bay Plantation Pier, leaving buoy nearest pier to Port.

Fun:
Thursday night, July 24, the Hanalei Plantation will hold a Presentation Banquet in the hotel dining room. The famous Transpac “Calabash” will be just one of the perpetual Trophies that will be awarded. Kauai has gone all out to provide a night of South Seas entertainment that will be a high point of the races. See Hanalei Yacht Club Race Instructions for complete details.

*CROSSED DIAMOND HEAD FINISH LINE—HAWAIIAN STANDARD TIME
INFORMATION CENTER
Chairman—Betty Pugh

Some familiar questions that are asked along about July 15th—Do I have any mail? Where can I get ice? Where is my laundry? Where can I recharge batteries? When is the presentation banquet? Has Flossie been asking for me? The answers are all here. The TRANS-PAC INFORMATION CENTER is the headquarters for all of your shore activities while in Honolulu.

Skippers, as soon as you have been greeted by your Hawaii host and hostess, it is important that you and your crew members report to INFORMATION CENTER. Here you will find your mail, your Honolulu program and all the other information that will make your stay a pleasant one. You should immediately make your reservations and secure tickets for the various social events that have been scheduled for you and your crew.

There is maintained at the Center an accurate file (as accurate as the information you have given us) on all crew members with such details as their addresses in Honolulu, arrival of wives and friends, home addresses, departure dates and such other personal information. The Information girls, all volunteers on a 24 hour watch, also take care of your mail, answering questions regarding hotels, taxis, ice, sightseeing, Inter Island tours, return trip crews, tickets for social events, what to wear, how to get there and just about anything to make your stay in Hawaii a memorable one.

This Center is maintained for you. Its service is only as good as the cooperation you give to the girls manning the operation. Please remember they are trying to help you and if they are very busy, please be patient. It will help the Center if you will be prompt in answering your loud speaker pages. Be sure to check for messages and mail at the Center. Mahalo.

SHORE ACTIVITIES
HOST AND HOSTESSES
Chairman—Virginia Jordan

Among the gift-laden and lei-bedecked groups of people who will be waiting and watching you tie up at your mooring upon arrival will be a Honolulu couple who have taken on the role of host and hostess to your boat.

If you or members of your crew have friends in Honolulu, they are given the first opportunity to act as sponsors; otherwise people who are glad to extend a sample of Hawaiian hospitality to visiting yachtsmen have been selected. It's sort of like a blind date arrangement but can often lead to rewarding friendships.

Lest the term "Host and Hostess" be misconstrued, we want you to know that their DUTIES are simply to meet your boat with leis at whatever hours of the day or night you finish and see that you and your crew have transportation to your hotel accommodations. That is all that is actually required of them, but as so often happens they extend further samples of their Hawaiian hospitality. Remember, you are on vacation, they are not. They work and live here so please don't expect too much.

At the presentation dinner it is customary for your host and hostess to sit at the table assigned to your boat and crew.

And, as a last reminder, one of the most treasured things we have in the Islands is a note of appreciation from a boat and the crew upon their return to the mainland.
