Inspection Forms:

1. Print out two (2) copies of the inspection form; one you will retain and the second will be presented to your inspector.
2. Refer to the list of inspectors, locate an inspector in your area and set up a timely appointment, prior to Monday, June 27, 2011. Present him with one (1) copy of the form that he will fill out and return to the chief inspector.

Crew Medical Profiles:

1. Print out three (3) copies for each crew member aboard your vessel. Have each crew member complete three (3) copies. Keep one copy of each for your files, give one copy to the crew contact and send the other copies to the chief inspector at the address found at the bottom of the page.
