

## 2009 *Transpacific Yacht Race* SAILING INSTRUCTIONS

### *Second Amendment to the Sailing Instructions*

*The Sailing Instructions are hereby amended as follows:*

*Delete Paragraph 38.2 and replace with:*

- 38.2 If the Race Committee has knowledge of a possible infraction of the Rules, the Sailing Instructions and/or the Notice of Race, the Race Committee will notify the yacht involved of the alleged infraction and will file a protest or post its findings, including its rationale for its decision to not file a protest, within 24 hours after the time the yacht finishes the race. The time limit for yachts wishing to protest another yacht based on these findings is extended to 24 hours from the time these findings are posted or 8 hours after their finish, whichever is later. This amends RRS 61.3.
